Dear Angela,

I am pleased to let you know that the members of the International Brotherhood of Electrical Workers Local 352 have voted to endorse your candidacy for State Representative 71st District.

We know from your working background that you will work hard to become elected and then once elected keep working to represent and give a sound and prudent voice on behalf of working men and women in the State House. Local 352 truly looks forward to working with you in the years to come.

In Solidarity,

Ronald Byrnes
