Re: Candidacy for State House 71st District

Dear Angela,

Thank you for responding to the **LAHR PAC** candidate survey. We appreciate your support for our efforts to improve the lives of Lesbian, Gay, Bisexual and Transgender people.

Our committee spent considerable time reviewing the responses. **LAHR PAC** does not endorse candidates rather it rates them. The committee rated you “**Positive**”.

If you wish to mention your rating in your literature, please do not refer to it as an endorsement. It is a rating. While we have much in common, for legal purposes **LAHR PAC** is a separate and distinct organization from LAHR. If you refer to us, you should call us **LAHR PAC** and not LAHR.

We will be sending this rating and those of the other candidates to the LGBT community and our families and friends. For a list of our most current ratings, please visit us at LAHR PAC on Facebook, check the LAHR website (lahronline.org) or write to lahrpac@yahoo.com.

We appreciate your support and the time you took to fill out the survey.

Sincerely,

Penny Gardner, Ph.D.
